— Windows 10 Education, Version 1703 (Updated March 2017)

Windows 10 Education is only available for education customers in volume licensing programs. Windows 10 Education includes features from Windows 10 Enterprise that are ideal for advanced security, and the comprehensive device control and management needs of today's educational institution. Windows 10 Education also enables simplified deployment in the education space; this edition provides a direct path for many devices to upgrade from Windows 10 Home or Windows 10 Pro.

Windows 10 Education, Version 1703 (Updated Mar 2017) is the latest version of Windows 10 Education. It includes all updates released for Windows 10 Education since Version 1607 (Updated Nov 2016), including security and non-security updates.
